POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

Hon. Stacy L. Ruble, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Mr. Ruble:

In connection with the Commission's rules pertaining to periodic reports, I have enclosed copies of the quarterly Billing Determinants for Quarter 2 of Fiscal Year (FY) 2016 (39 C.F.R. § 3050.25). The enclosed materials consist of three parts:

1. Market Dominant Products Billing Determinants – FY 2016 Quarter 2 (This part is **Public**);
2. Competitive Products Billing Determinants – FY 2016 Quarter 2 (This part is **Non-Public**);
3. International Products Billing Determinants – FY 2016 Quarter 2;
 - a. International Market Dominant Products Billing Determinants -- FY 2016 Quarter 2 (This subpart is **Public**);
 - b. International Competitive Products and ICM Billing Determinants -- FY 2016 Quarter 2 (This subpart is **Non-Public**); and

I have enclosed computer discs with machine-readable versions of each of these parts.

As noted above, part 1 of the Billing Determinants for Quarter 2 (Market Dominant Products Billing Determinants) is public and may be posted on the Commission's website. Part 2 (Competitive Products Billing Determinants) is confidential and non-public and should not be posted on the Commission's website. The Postal Service has determined that the entire contents of this competitive products

document should be withheld from public disclosure and that redaction of only parts would not be meaningful or practicable. Subpart 3a (International Market Dominant Products Billing Determinants) is public and may be posted on the Commission's website. Subpart 3b (International Competitive Products and ICM Billing Determinants), however, is confidential and non-public and should not be posted on the Commission's web site. The Postal Service has determined that the entire contents of subpart 3b (International Competitive Products and ICM Billing Determinants) should be withheld from public disclosure, and that redaction of only parts would not be meaningful or practicable.

In my letter to the Commission of March 3, 2010, which transmitted the Billing Determinants for Quarter 1 of FY 2010, I enclosed, as Attachment 1, the Postal Service's "Application of the United States Postal Service for Non-Public Treatment of Materials." The Postal Service incorporates this application by reference here. References to Quarter 1 of FY 2010 in the document should be read to refer to Quarter 2 of FY 2016. The application applies to all of the materials described above that the Postal Service has designated as non-public and for which it has requested confidentiality.

If you have any questions regarding this report or the discussion above, please call.

Sincerely,

Daniel J. Foucheaux, Jr.
